

Handling fees for vector requests[‡]

prices in £	single vector requests	UBQ10 vector set (15 vectors)	Yeast vectors (6 vectors)	2in1 conversion set (2 vectors)*	rBiFC vectors (4 vectors)*
EU countries	25.--	200.--	100.--	40.--	75.--
non-EU	35.--	250.--	120.--	50.--	90.--

Vectors will be shipped, dropped on filter paper, via DHL express.

[‡] Please note that **you require a *ccdB*-resistant *E.coli* strain** for amplification of Gateway vectors (e.g. *ccdB*survival cells, DB3.1)

*Please note that **you will need the commercial Entry vectors pDONR221-P3P2 and pDONR221-P1P4** from Life Technologies.
